FRIENDSHIP CIRCLE OF LOS ANGELES

PROGRAM GUIDE

2018-2019

A community for families of children with special needs providing social, educational, recreational & Judaic opportunities.

A place where teen volunteers are enriched and empowered to become tomorrow's leaders and advocates.

Mission

The Friendship Circle's mission is (1) to provide Jewish children who have special needs with a full range of social, recreational, educational and Judaic experiences; (2) to provide their parents with respite and support; and (3) to enrich, inspire and motivate Jewish teenagers through sharing of themselves with others.

The Friendship Circle is made up of five parts: children, volunteers, parents, staff, and supporters. The true beauty of the Circle is how we all link together to form a seamless circle of friendship.

Vision

The Friendship Circle envisions a world where people who have special needs and their families are accepted, included, and befriended so they can become successful members of society. To create that world, we aim to foster an environment where these children and families are given the support and love they need.

In addition to supporting families and children with special needs, The Friendship Circle endeavors to empower teens to take an active role in assisting and nurturing the wider Jewish community. Through our many programs, we hope to create a new generation of leaders to make the world a better place.

3 Questions

- Do you know a teenager who would like to be a volunteer?
- Do you know a family that can use extra help with a child who has special needs?
- Would you like to support the work of the Friendship Circle by making a financial contribution?

▲ Friends at Home

Every week, teenage volunteers visit participating children in their homes, engaging in activities and developing close friendships. These teens are specially prepared for their valuable role as friend and mentor while parents enjoy a regular respite. These visits can be arranged to accommodate a wide variety of schedules. Please call our office to make arrangements.

FOR

**Children and young adults
